Senior County Squad Management Report for 2010 - 2011

Despite a difficult first weekend, when they were missing several key players, the 1st Team bounced back to record a 3rd place finish in Premier A, behind champions Yorkshire (once again!) and a resurgent Surrey team who maintained their challenge throughout the campaign. It is encouraging to note the increased contribution made by Alex Langley and Alison Pulford, which, coupled with the performances of the ever-improving Serena Midha, bodes well for next season.

Much improved performances by the 2nd Team, throughout the season, ensured a nail-biting finish in a division containing 2 other strong contenders. In the final match, our 8-7 defeat by Yorkshire 4, in a "winner takes all" contest at Hull, gave the home side the title and relegated us to 3rd place behind Cheshire. On reflection, the Yorkshire success was based more on their ability to extract maximum points from both Durham and Cumbria – something which neither Cheshire nor ourselves could achieve.

Similarly, the 3rd Team, who, despite a heavy defeat by champions Derbyshire 2 at the start of the season, re-discovered their winning ways and always looked capable of securing the runner-up slot. Fortunately, their only other defeat of the campaign, when under strength against a strong Norfolk 2 side, came too late to prevent Staffordshire spoiling their season's efforts.

In contrast, the 4th Team were again handicapped by a lack of availability throughout the season, often with the result that we were unable to field our best team for the crucial matches. Ultimately, despite all their efforts, the team was condemned to relegation for a second successive year.

Overall, an encouraging season for the County Teams, with the overall level of performance much improved from last year. The repeated failure of the 4th Team is a cause for concern and we must seriously consider whether or not the County has sufficient playing resources to support this team next season.

Senior County Squad Management Report for 2010 - 2011

Individual Awards for the 2010-11 Season

Most Improved Player of the Year – Martin Edwards

Although some of the young players who graduate from Schools to Senior County Squad are able to demand places in the higher teams immediately, others need time to develop their skills in order to compete effectively at this level.

No-one has worked harder at improving their game than Martin, who has developed into a highly valued member of the Squad across all 3 disciplines, with an overall success rate of 80% in 7 appearances at both 2nd and 3rd team level.

We hope that Martin will continue this improvement into next season's campaign, when his contribution will again be vital to our success.

Squad Player of the Year – Andy Cokayne

Andy is one of the longest serving members of the County Squad, having first represented Nottinghamshire in the 1991-2 Season. My memories of him stretch back to 1996, as an enthusiastic member of a young 3rd Team Squad enjoying a trip to Gt. Yarmouth for a match against Norfolk.

It is a tribute to Andy that his enthusiasm for the ICC has not waned in the intervening years, and he remains one of the most committed Nottinghamshire players, fiercely competitive and above all, proud to wear the Nottinghamshire shirt. I am convinced that had he played in a different era, or for another County, then he would have recorded far more appearances for the higher teams.

During my tenure as Match Secretary, he has always been appreciative of the effort needed to organise the County Squad, and would happily take charge of any team in which he was playing, offering guidance and support to many developing younger players.

Although he has now graduated to the O-40 Veteran Squad, Andy is still prepared to act as cover for the Seniors, an action that typifies his approach to the game over the past 20 years.
