### Attewell Tournament

May 6th/7th 2006

What a great weekend for NJBA when over 200 juniors took part in the Attewell Tournament at Bingham.

This tournament is designed for non-county players, and has been running for many years. It started off as 'Sunrise Tournament' which was run by Gill Attewell from the Sunrise Junior Badminton Club, and over the last 3 years it has been run by the Nottinghamshire Junior Badminton Association and renamed 'Attewell Tournament'.

**Terry Gillam** from Worksop Falcons and team of volunteers organised this event and every one worked very hard in making it so successful. The weekend proved itself with the enthusiasm and good quality of play from all the juniors that took part.

Listed below are the results of the tournament:-
